IO A&P

Introduction

**Studio
Arletti & Partners**

Who We Are

We are experts in Italian jurisdiction and European law, supporting companies and individuals in fulfilling global mobility and tax requirements since 1998.

A&

Alessandro Arletti

Founder & Senior Tax Advisor

Chartered tax accountant, auditor and founder of Studio Arletti & Partner since 1998, Alessandro Arletti is specialised in Italian and foreign jurisdictions on global mobility of workers, concerning aspects of labor law, social security, immigration, taxation and Risk Assessment.

He collaborates with some of the best Italian and international industry associations, such as the UK and the German Chambers of Commerce, the Chamber of Commerce in Modena, Federmacchine, ART-ER and Fondazione Marco Biagi Modena.

PROFESSIONAL CONSULTING FOR COMPANIES AND INDIVIDUALS

Studio A&P supports companies and individuals in their business in Italy and around the world, through tailor-made assistance on global mobility and tax compliance in Italy and abroad.

Our Services

Studio Arletti & Partners is specialised in global mobility of workers and tax consulting.

Our areas of expertise include immigration in Italy and abroad, short- and long-term international assignments, as well as Italian taxation and all the requirements related to the performance of work activities abroad.

Our multilingual experts are able to provide professional support to both companies and individuals.

4 main areas of expertise

01

IMMIGRATION IN ITALY AND ABROAD

Our Immigration Specialists are able to support companies and workers in all entry and stay requirements in Italy and in foreign destination countries.

02

ASSIGNMENTS OF EMPLOYEES ABROAD

A&P is able to guide you in the management of short- and long-term requirements, in compliance with international regulations and the legislation of destination countries.

03

TAXATION FOR COMPANIES AND INDIVIDUALS

At A&P, you will find a division specialised in Italian and international tax services for companies and individuals. Our experts are all chartered tax accountants, certified by the Italian Government.

04

SECURITY AND RISK ASSESSMENT

A&P supports companies in managing all immigration, tax and posting requirements, minimising risks for workers during international assignments and criminal liability for companies' top management.

02

Posting of workers to Italy and abroad

Studio A&P includes a team of consultants specialized in the management of posting of workers, specifically short-term postings (below 12 months).

Our experts can fully support companies in the management of assignment of employees to all EU, EEA countries and Switzerland, in accordance with the EU Directives and national transpositions.

Based on the duration of the planned activity abroad, a company might need to plan a long-term assignment or, if shorter, send employees abroad via the so-called “posting of workers”

With the support of our Immigration Specialists and international partners, A&P can also fully manage the posting of non-EU workers to Italy and Europe.

A&P is also a member of the Posted Workers Alliance, the first European network of experts on the posting of workers to the European Union.

A&P Services for short-term postings

a.

Posting of workers to Italy

Studio A&P can manage the whole short-term mobility process to Italy, ensuring utmost compliance with the international and Italian law, both in the case of EU and non-EU citizens.

b.

Posting of workers to Europe

Studio A&P manages short-term mobility of workers also to all EU, EEA countries and Switzerland, in accordance with the EU Directives and national transpositions.

c.

Labor Law and mandatory requirements

Our Posting Specialists ensure the fulfillment of all requirements for a posting in full compliance, such as respect of minimum wage, appointment of a contact person in the hosting country, posting declarations and mandatory storage of the necessary documents.
